NWP SIGNAGE

1 sign installed near entrance per specs from Sheriff's office.

PHONE TREE

Discussed setting up phone tree and distributed instructions/hints for usage from Sheriff's Dept. Tree must be updated once/yr and submitted to Deputy. A Block Captain is needed for every 14-22 block watchers on phone chain. Suggested that Committee members obtain neighbors in their close vicinity to sign up as a "block watcher" underneath their names. Goal is to have coverage in all areas of Canterbury Lakes as seen on attached map.

HOA WEBSITE

Stated that we all should promote usage of site. Reviewed look and purpose of NWP crime report link. It was noted that the report wouldn't work due to a glitch in the date field. Coordinators to bring this to the attn of webmaster. Nobody was aware of any recent crime to report.

NWP COMMITTEE

Agreed that we'd try to hold meetings once a month on a Saturday morning. Next mtg will be held on **Sat., March 29th @ 11:30 in open lot.**

NWP DEPUTY MEETINGS

Deputy has confirmed that he can hold his next meeting on **Sat., April 19th @ 11:30 in open lot.** Coordinators to secure tent/chair rental. Committee members will help to distribute fliers to each home. A suggestion was made to have a guest speaker come from a security system company.

MISC

Suggested that our Committee aid in getting the other Committees up and running. Also to possibly help in getting a petition signed for lights on Camden Field Pkwy as well as speed bumps in our community.
